

RFI Case Studies with Electromagnetic Therapy

1. Client prior EMF I 7/1/2006		Frequency Chakras		Changes	
	Min	262	Crown	411	Overall - lighter Degree - total change apart from left hand (blue) and left palm (navy) that are same before and after. Chakra frequencies high prior to EMF. Overall frequencies higher.
	Max	610	T Eye	351	
	Mean	408	Throat	393	
			Heart	398	
			S Plexus	335	
			Sacral	397	
		Base	376		
2. Client after EMF I 7/1/2006		Frequency Chakras		Changes	
	Min	128	Crown	160	Specific - fewer colours after balance. No red, burgundy, rose, yellow, orange, orchid. Appearance of purple. Greater amounts of grey. Overall frequencies lower. Chakras low and stable.
	Max	200	T Eye	150	
	Mean	158	Throat	155	
			Heart	145	
			S Plexus	145	
			Sacral	145	
		Base	153		
3. Client next morning 7/2/2006		Frequency Chakras		Changes	
	Min	195	Crown	454	Visual overall pattern lighter than scan 1. More colour than scan 2. Absence of burgundy, more gold and yellow. Purple continues from Scan 2 but in different positions incl. base chakra. Continuation of cyan but in different position. Gold in heart and crown. Changes in palms gold/green (RH) red/red (LH). Reappearance of red, orange, rose but in different positions to scan 1.
	Max	581	T Eye	500	
	Mean	430	Throat	394	
			Heart	509	
			S Plexus	391	
			Sacral	329	
		Base	365		
4. Client before EMF II 7/18/2006		Frequency Chakras		Changes	
	Min	320	Crown	468	Lots of gold and pink. Red on left hip which is painful. Not a lot of difference in frequencies before and after, however, slightly higher after EMF.
	Max	632	T Eye	632	
	Mean	464	Throat	624	
			Heart	497	
			S Plexus	428	
			Sacral	457	
		Base	467		
5. Client after EMF II 7/18/2006		Frequency Chakras		Changes	
	Min	324	Crown	624	Red gone from left hip, more pink and gold on chakras. Lot more cyan and blue around head. Navy and pink on Justus R side now in same position on Irene's L side.
	Max	640	T Eye	425	
	Mean	496	Throat	481	
			Heart	455	
			S Plexus	364	
			Sacral	455	
		Base	478		
6. Client prior EMF III 7/26/2006		Frequency Chakras		Changes	
	Min	360	Crown	563	Blue and cyan on R side consistent before/after the EMF. Similar frequencies. Chakras slightly different in frequency. Red from L side and chakras transferred to R side after EMF.
	Max	659	T Eye	519	
	Mean	522	Throat	379	
			Heart	519	
			S Plexus	439	
			Sacral	440	
		Base	476		
7. Client after EMF III 7/26/2006		Frequency Chakras		Changes	
	Min	324	Crown	607	Burgundy - throat, change to way she relates to others. Black on crown, 607 Theta state, activation of template assoc. with Phase III. Red on hip, stress/activity assoc. with future direction. Busy but will be emotionally satisfying.
	Max	657	T Eye	493	
	Mean	521	Throat	418	
			Heart	391	
			S Plexus	528	
			Sacral	505	
		Base	520		
8. Client - no measurements taken.		Frequency Chakras		Changes	
	Min	295	Crown	520	Predominance of pink, gold and blue. Navy replaced with pink and green. All frequencies higher after the healing. Chakra readings higher and more stable than after the EMF session. Higher frequencies overall. Navy replaced with pink.
	Max	597	T Eye	597	
	Mean	442	Throat	428	
			Heart	475	
			S Plexus	463	
			Sacral	470	
		Base	415		
1. EMF Prac prior EMF I 7/1/2006		Frequency Chakras		Changes	
	Min	132	Crown	138	Overall - lighter Degree - lesser degree of change. Large areas of black on left hip. Overall low frequency Chakras stable but low.
	Max	205	T Eye	154	
	Mean	154	Throat	134	
			Heart	141	
			S Plexus	132	
			Sacral	135	
		Base	134		
2. EMF Prac after EMF I 7/1/2006		Frequency Chakras		Changes	
	Min	121	Crown	136	Fewer colours but not to same degree. No grey, silver, orchid. Appearance of orange. Greater amounts of green, gold, yellow and blue. Frequencies still low and stable on chakras. Overall frequencies lower than before EMF.
	Max	180	T Eye	146	
	Mean	143	Throat	135	
			Heart	136	
			S Plexus	139	
			Sacral	138

5. EMF Prac after EMF II 7/18/2006		Frequency Chakras		Changes	
	Min	335	Crown	467	Lighter colours, lower frequencies. Lower chakra readings. More pink, orchid and orange. Red on TE and above head after EMF.
	Max	578	T Eye	430	
	Mean	456	Throat	364	
			Heart	499	
			S Plexus	336	
			Sacral	356

6. EMF Prac prior EMF III 7/26/2006		Frequency Chakras		Changes	
	Min	296	Crown	296	Red on heart and SP chakras. Lighter colours on R side. Max. frequency higher prior to EMF. Orchid and purple in aura which is less after EMF. TE is max. frequency and crown is lowest.
	Max	608	T Eye	608	
	Mean	437	Throat	493	
			Heart	422	
			S Plexus	429	
			Sacral	497	
		Base	390		
7. EMF Prac after EMF III 7/26/2006		Frequency Chakras		Changes	
	Min	270	Crown	410	Burgundy on throat, cont. of release of energy started with Kinesiology session. Red on hips. Navy - teaching. Navy on base - Master teacher (!) Lower frequencies after EMF. TE lower but crown higher. Darker colours overall.
	Max	542	T Eye	388	
	Mean	380	Throat	406	
			Heart	349	
			S Plexus	270	
			Sacral	394
